PRICE 5 CENTS

CATHERINE H. MAKES GOOD

SPEEDY DAUGHTER OF CACTUS II. SCORES BRACKETS AT CITY PARK.

Five Favorites Win-Civill Recovers Foreigner-Judges Bar Kicking Steeplechasers-Jockeys Are Fined.

New Orleans, La., February 7 .- The weather was cold and bleak today, but the attendance at City Park was good. Visitors to the Madri Gras were There was improvement in in numbers. condition of the track, the going being good. There was nothing about the card over which one enthuse, unless it was the fact that five favorites The contestants in all seven of the races were horses of very ordinary calibre. The race for two-year-olds, won by the favorite Blue Lee, and the steeplechase, in which Lights Out was a defeated favorite, were considered the features.

The followers of the Corrigan stable profited race. Great things are expected of this filly of last season. A a yearling Catherine H. showed sensational speed over the Hawthorne track and Mr. Corrigan considered that he possessed in her a filly of stake class. She went wrong while being prepared for the Louisville Nursery spring and was only started once during the year. today's race Cartherine H. made an exhibition of her company. When the barrier was released she bounded to the front and opened up a big lead. Nicol had her under restraint all of the last quarter and slowed her down to little better than a canter

at the finish. She is a good one.

Foreigner, after his victory in the fifth race, returned to the stable of P. M. Civill, who bought him for \$1,200. This was a "boost" of \$100 over his entered price. In his previous race Foreigner

as claimed from Civill by F. W. Schmidt for \$800. W. R. Gerst, of Nashville, is here. Mr. Gerst will send part of his string to Canada this year, another division to Louisville and Latonia, while the best of the string will be sent east in charge of William McDaniel.

Bookmaker Sam Most, who was reinstated yester day, drew in at City Park this afternoon. Willie Applegate, who arrived from New York this mornwas also in line.

Jockeys Potter and Reeder were fined \$25 each by the starter for repeatedly trying to get the best of the start in the steeplechase. The judges ordered the entry of Oliver Mc and Jim Bozeman refused in the future. Oliver Mc took a kick at every horse in the race. He landed heavily on Lights Out, inflicting a nasty cut on the inside of his off hock. Jim Bozeman refused to leave the post when the start came and was left.

JOHN BRINK BUYS HARRIS' CONTRACT.

Jockey Who Was Suspended by Owner Carman Will Now Return to the Saddle.

Los Angeles, Cal., February 7.—The jockey Harris embroglio was brought to an amicable settlement to-day for all parties concerned through the purchase of his contract from R. F. Carman by John Brink for a consideration of \$3,000. Harris will hereafter ride the horses that run here under the name of E. Wayland, but which are owned by John Brink. Cars trainer. James Blute, did not like the m in which Harris rode W. H. Carey on several occasions and the boy was set down by Mr. Carman to whom he was under contract. Harris has not ridden for nearly a fortnight. He is considered one of the best jockeys here and his return to the saddle will be welcomed.

Ideal racing weather prevailed again today, bringing out the usual large attendance. Three of the finishes were of the sensational order and were productive of vociferous applause. Bonnie Reg, heavily backed, nosed out Silver Wedding in a desperate The booking was heavy, the twenty doing a big afternoon's business, but faring badly.

TAME RACING WITH PUBLIC LOSSES.

Kokomo, Ridden by Miller, the Only Winning Favorite-Big Crowd and Good Weather.

Oakland, Cal., February 7 .- Selling races of the cheapest description composed today's card. The racing was tame and the bookmakers won heavily. The weather was ideal and the attendance exceeded 10,000. The track proper is drying out rapidly. Kokomo, the only successful favorite, was ably piloted by Walter Miller. Outsiders accounted for

the remainder of the program.

The disqualification of Miller on Grace G. in the last race yesterday and the subsequent fining of the jockey by the stewards has since been a fruitful topic of conversation among racegoers.

SIDNEY LUCAS IS NOT MISSING.

ington, Ky., to the effect that H. T. Oxnard's tenchestnut horse Sidney Lucas, by Top Gallant-Addie C. II., winner of the American Derby in 1900, had mysteriously disappeard. spondent wasn't sure whether he had been stolen whether he had just wandered away. This story is still going the rounds of the press, while Sidney Lucas is eating regularly at E. C. Cowdin's Kirklevington Farm, within a short distance of Lexngton, whither he was sent by Mr. Oxnard to make the season of 1907.

FACTS AND FIGURES ABOUT THE SIRES | KEENE NAMES HIS TWO-YEAR-OLDS.

Get of Forty-Eight Horses Win Nearly One-Half the Money Distributed.

Nearly one-half of the money distributed in stakes purses at the meetings in the United States and Canada in 1906 was won by the get of fortyeight stallions. This statement may be somewhat astonishing to those who do not delve deeply into turf statistics, but it is nevertheless a fact.

During the year, as has been before related, the total distribution for 6,840 races was \$5,191,681. The number of horses taking part in these races was 5,957 and they were the get of 919 stallions. The stallions which are credited with \$25,000 or nore each as the combined winnings of their get

number forty-eight, showing an aggregate of \$2,466, 279 won. This leaves \$2,725,402 as the aggregate winnings of the get of the remaining 871 sires, many of which, of course, had out no witners. Here are the figures:

HOPEFUL OUTLOOK AT LITTLE ROCK.

Little Rock, Ark., February 7 .- Attempting to forecast the action of any legislature on a racing bill or any other measure that gives the fanatics and the reformists a chance to busy themselves, is hazardous business, but it really looks tonight as if the Amis bill will be given a black eye in the lower nouse of the general assembly when it comes up for the second reading and vote tomorrow. If the calculations of the people who are here working in the interest of a racing bill prove correct, no measure intended to kill betting will be passed at this session of the legislature. It may be that the friends of racing have shown the members that the Amis bill does not represent the views of a majority of the people of the state or it may be from some other cause, but it is a fact that there has been a change of sentiment in some of the legislators these last forty-eight hours.

SPENCER TO RIDE IN FRANCE.

New York, February 7 .- Henry Spencer has decided to try his luck abroad again. He rode in England in 1902 for James R. Keene, but expects to go to France for the coming season. Spencer has not ridden for a season or two, but he believes he can make good.

Fandango Wins the Race for Youngsters-Skyward Purse Is Protested-Salvisa Is Destroyed.

Hot Springs, Ark., February 7 .- The weather was fine today and as a consequence the attendance at Oaklawn was the largest of the week. The quieting of the political disturbances also had much to do with swelling the crowd. The news from Little Rock this afternoon and this evening has encouraged turfmen to the belief that the Amis bill will be defeated when it comes up in the lower house of the legislature tomorrow and that the meeting will go on here for the full sixty days.

The horses racing today were a mediocre lot, but

some of the contests were exciting. The most interesting race from a horseman's point of view was the opening dash in which fifteen youngsters started. There were many in the field that went to the post for the first time and their performances were eager-There was nothing sensational to the watched. running. Fandango was away running and showed her heels for the entire trip to the others, winning in hollow fashion by five lengths from Dandy Dancer, Rustle probably ran the best race of the lot as she was away in an outer position, had to lose much ground by going wide and finished with a great burst of speed.

Jake Sanders was dropped into a soft spot, scared out eight of the entrants and beat the other seven. He made good with little trouble. The longest priced winner of the afternoon came in the last race when Skyward, at 20 to 1, led all the way and won cantering from Cadillac. C. D. Stevens, owner of Cadillac, objected to the payment of the purse to J. J. Flannigan on the grounds that Skyward had carried five pounds less than the conditions called for, although he had up the carded weight. The judges have taken the protest under advisement.

Jockey D. Riley is the latest rider to join the colony here. He arrived from California and will do most of the riding for P. T. Chinn.

Salvisa, which was cut down in her race yesterhad to be destroyed today.

If no more rain falls the track should be fast tomorrow.

PICTURE OF REEL MOST VALUABLE. Description of Major B. G. Thomas' Famous Collection of Horse Paintings.

Ten of the thirteen paintings of famous thoroughored horses embracing the collection of the late Major B. G. Thomas, and now on exhibition in the rooms of the Jockey Club in New York, are Troye. Perhaps the most valuable painting of the entire collection is that of the famous mare Reel, founder of a model family of horses. It is said to be the only picture in existence of this famous mare. Because of this and for excellence of the work it is extremely valuable. The painting passed through the hands of two or three famous turfman the old school before becoming the property of Major Thomas. It is claimed that it was buried during war times to make sure of its preservation from the raiding soldiers of both armies

of Lexington, by inches, painted in the spring of 1870 when the son of Boston and Alice Carneal was twenty years old, is unquestionably one of the best pieces of work the famous artist and persons who Lexington have said it is a magnificent likeness of the great horse. The picture of Lightning, by Troye, painted in May, 1869, is likewise fine. It is of similar size to the Lexington

There is also a magnificent picture of Glencoe, 34x42 inches, painted by Troye in 1852 when the horse was quite old. The other Troves are Dixie. painted in 1871, size 17x22 inches; a head of Hadley, painted in 1872, size 28x32 inches; Roxane and foal, by Rhynodyne, painted in 30x38 inches, and small pictures of Boston and Lexington, both 10x12, painted respectively in 1856 and 1867.

The other three pictures are fine likeness Vandal, size 25x38 inches; Lecompte, size 20x25 inches, and Picayune, size 29x36 inches. The picture of Roxane and foal was one of Major Thomas' favorites. The foal appears to be all out of proportion to the dam in size, and this fact was freely commented upon by visitors to the home of Major Thomas. He would chuckle in a knowing way and ask his visitor to be seated until he explained. "In those days," the Major would say, "foals were allowed to run with their dams until weaned the mares themselves. As this was rarely done until close to foaling time again, the youngsters were virtually yearlings before being taken away This accounts for mistake in the painting as to the size of Roxane

Winner—Br. g, by Albert—Belle of Orleans (trained by R. R. Rice, Jr.).

Went to, post at 2:10. At post 2 minutes, Start good. Won driving; second the same. Duke of Orleans is a good weight carrier, got a good position in the early running and, finishing gamely through the stretch, got up to win a lucky race while swerving over against the leader. Mitre raced into a tremendous lead and turned for home with a big advantage, but his rider drew him up and swerved into defeat, but was much the best. La Rose, after strennous early pursuit, fired in the last quarter. Blanche C, had no chance with a bad rider, but was running well at the end on her own courage. Bogun was never dangerous and ran a bad race.

Scratched—66811 Convent Bell, 117.

challenged gamely in the stretch, but could not get up. Mina Gibson, greatly improved, showed unexpected early speed and finished fast in an extra good race for her. Red Era, away poorly and shut off in the early running, made up considerable ground in the last half. El Primere, shuffled to the rear in the early running, inished well up. Water Thrush showed superior early speed, but disliked the heavy going and is promising. F. Neugent, on the inside in deep going, was never dangerous and his race should be thrown out. Vincentle are poorly. School Hell is worth remembering.

Winner—Ch. f, by Bowling Green—Mopsy (trained by J. B. Gray).

Went to post at 3:15. At post 2 minutes. Start good. Won driving; second and third the same. Ina Gray was kept far back in the early stages, but moved up resolutely on her own courage when straightened out in the stretch run and, finishing gamely, got up in the closing strides. Haughty, probably much the best, was taken wide throughout and, better handled, would have won off by herself. B. J. Swanner ran a good race, was a forward contender from the start and appeared a certain winner in the last furlong, but tired unexpectedly. Mary Primm was speedy and tired in the last furlong as if short, Oasis tired and will do better. King Wilda ran a bad race and probably disliked the going. Winner—Br, h. by Knight of the Thistle—Active, by Virgil (trained by H. McDaniel).

Went to post at 4:13. At post 1 minute. Start good. Won handily; second driving; third the same. Jake Sanders outclassed the others and ran hard held all the way, winning in a canter. Adesso closed a big gap after going wide into the stretch and, finishing with a rush, got up in time to outlast Wood Claim. The latter was badly handled and would have been second with a good ride. High Bear began slowly and, although going wide, came with a rush at the end, will improve and is worth remembering. Potter showed the most early speed, but quit after going a half. Matador ran a bad race and way below his true form. The winner was entered for \$1,090; no bid.

Winner—B. c, by Sanders—Star Dreamer (trained by M. Burton).

Went to post at 4:43. At post 2 minutes. Start good. Won easily; second driving; third the same. Skyward, showing sudden improvement, raced into a long lead at once and held the others safe throughout, winning pulled up. Cadillac stood a hard drive gamely, closed up considerable ground in the last quarter and got up in the last stride for second place. Mrs. Annie sprinted gamely after the leader in the early stages and maintained second place until in the last few strides, where her rider became careless. Dan McKenna can do better and was badly handled. Sidney F. was also a sufferer from poor handling and will show improvement. The winner was entered for \$400; no bid.

Winner—Ch. c, by Blues—Leetta (trained by D. Vititoe).
Went to post at 3:08. At post 1 minute. Start good. Won easily; second and third driving. Blue broke well and raced with Truce until making the turn into the homestretch, then drew away and, ough having the race safe, was doing his best at the end. Bucket Brigade ran on the outside until

straightened out in the homestretch and finished gamely under a drive. Truce showed much speed for about a quarter, but was tiring at the end, is a big colt and the race should improve him. Catherine F. broke slowly and was always outrun. Dick Rose has seemingly lost the speed he displayed in his first races. The winner was entered for \$800; no bid.

CATHERINE H. MAKES GOOD.

SPEEDY DAUGHTER OF CACTUS II. SCORES BRACKETS AT CITY PARK.

Five Favorites Win-Civill Recovers Foreigner-Judges Bar Kicking Steeplechasers-Jockeys Are Fined.

New Orleans, La., February 7 .- The weather was cold and bleak today, but the attendance at City Park was good. Visitors to the Madri Gras were out in numbers. There was improvement in the condition of the track, the going being good. There was nothing about the card over which one could enthuse, unless it was the fact that five favorites won. The contestants in all seven of the races were horses of very ordinary calibre. The race for two-year-olds, won by the favorite Blue Lee, and the steeplechase, in which Lights Out was a defeated favorite, were considered the features.

The followers of the Corrigan stable profited handsomely when Catherine H. won the opening race. Great things are expected of this filly of last season. A a yearling Catherine H. showed sensational speed over the Hawthorne track and Mr. Corrigan considered that he possessed in her a filly of stake class. She went wrong while being prepared for the Louisville Nursery Stakes last spring and was only started once during the year. In today's race Cartherine H. made an exhibition of her company. When the barrier was released she bounded to the front and opened up a big lead. Nicol had her under restraint all of the last quarter and slowed her down to little better than a canter at the finish. She is a good one.

Foreigner, after his victory in the fifth race, re

turned to the stable of P. M. Civill, who bought him for \$1,200. This was a "boost" of \$100 over his entered price. In his previous race Foreigner was claimed from Civill by F. W. Schmidt for \$800. W. R. Gerst, of Nashville, is here. Mr. Gerst ill send part of his string to Canada this year, another division to Louisville and Latonia, while the best of the string will be sent east in charge of William McDaniel.

Bookmaker Sam Most, who was reinstated yesterday, drew in at City Park this afternoon. Willie Applegate, who arrived from New York this morning was also in line.

Jockeys Potter and Reeder were fined \$25 each by the starter for repeatedly trying to get the best of the start in the steeplechase. The judges ordered the entry of Oliver Mc and Jim Bozeman refused in the future. Oliver Mc took a kick at every horse in the race. He landed heavily on Lights Out, inflicting a nasty cut on the inside of his off hock. Jim Bozeman refused to leave the post when the start came and was left.

JOHN BRINK BUYS HARRIS' CONTRACT.

Jockey Who Was Suspended by Owner Carman Will Now Return to the Saddle.

Los Angeles, Cak, February 7.—The jockey Harris embroglio was brought to an amicable settlement today for all parties concerned through the purchase of his contract from R. F. Carman by John Brink for a consideration of \$3,000. Harris will hereafter ride the horses that run here under the name of E. Wayland, but which are owned by John Brink. man's trainer, James Blute, did not like the manner in which Harris rode W. H. Carey on several occa-sions and the boy was set down by Mr. Carman to whom he was under contract. Harris has not ridden for nearly a fortnight. He is considered one of the best jockeys here and his return to the saddle will be welcomed.

Ideal racing weather prevailed again today, bringing out the usual large attendance. Three of the finishes were of the sensational order and were productive of vociferous applause. Bonnie Reg, heavily backed, nosed out Silver Wedding in a desperate The booking was heavy, the twenty doing a big afternoon's business, but faring badly.

The track proper is drying out rapidly. Kokomo the only successful favorite, was ably piloted by Walter Miller. Outsiders accounted for

the remainder of the program.

The disqualification of Miller on Grace G. in the last race yesterday and the subsequent fining of the jockey by the stewards has since been a fruitful topic of conversation among racegoers.

SIDNEY LUCAS IS NOT MISSING.

One day last week a story was sent out of Lexington, Ky., to the effect that H. T. Oxnard's tenyear-old chestnut horse Sidney Lucas, by Top Gallant-Addie C. II., winner of the American Derby in 1900, had mysteriously disappeard. The corre spondent wasn't sure whether he had been stolen or whether he had just wandered away. This story is still going the rounds of the press, while Sid eating regularly at E. C. Cowdin's Kirklevington Farm, within a short distance of Lexington, whither be was sent by Mr. Oxnard to make the season of 1907.

FACTS AND FIGURES ABOUT THE SIRES | KEENE NAMES HIS TWO-YEAR-OLDS.

Get of Forty-Eight Horses Win Nearly One-Half the Money Distributed.

Nearly one-half of the money distributed in stakes and purses at the meetings in the United States and Canada in 1906 was won by the get of forty-eight stallions. This statement may be somewhat astonishing to those who do not delve deeply into turf statistics, but it is nevertheless a fact.

During the year, as has been before related, the total distribution for 6,840 races was \$5,191,681. The number of horses taking part in these races was 5,957 and they were the get of 919 stallions.

The stallions which are credited with \$25,000 or more each as the combined winnings of number forty-eight, showing an aggregate of \$2,466. 279 won. This leaves \$2,725,402 as the aggregate winnings of the get of the remaining 871 sires, many of which, of course, had out no winners. Here are the figures:

The order in which the stallions appear in this list will not agree with sire tables which have been published in other papers for the reason that "all money" earned by the get of the sires herein named has been accounted for, whereas in other tables only the first moneys and seconds and thirds in were credited.

Meddler, of course, had out a greater number of big money winners than any other stallion, but in the greatest number of instances it was a single one of all their representatives that contributed most to the presence of these forty-eight stallions in this list. Meddler's best representative was Go Between, \$38,225, and he had also Hylas, \$18,-745; Bedouin, \$17,100; Ironsides, \$16,405; Tangle \$13,650, and Brookdale Nymph, \$10,355. Vice-Chairman of the Jockey Club Will Have Forty-Eight in Training This Year.

James R. Keene will have forty-eight horses in training this year, including thirty-three two-yearolds. Of the older division all but Bohemian, Kuroki and Suffrage are three-year-olds. The twoyear-olds, nearly all of which were bred at Mr. Keene's Castleton Stud in Kentucky, are sired by the noted Commando, Ben Brush, Kingston, Dis-guise, Voter, St. Leonards and others, while their dams include some of the most beautifully bred matrons in the world. Mr. Keene has taken the usual pains in selecting names for his two-year-olds, some of which are related to horses that have achieved great distinction in racing.

Red Bonnet, a filly by St. Simonian, out of Reckon, is a half-sister to Accountant. Incognito, a Disguise colt, is a full brother to Court Dress, the best two-year-old filly last season. HOPEFUL OUTLOOK AT LITTLE ROCK.

Little Rock, Ark., February 7 .- Attempting to forecast the action of any legislature on a racing bill or any other measure that gives the fanatics and the reformists a chance to busy themselves, is hazbut it really looks tonight as if the Amis bill will be given a black eye in the lower ouse of the general assembly when it comes up for the second reading and vote tomorrow. If the culations of the people who are here working in the interest of a racing bill prove correct, no measure intended to kill betting will be passed at this session of the legislature. It may be that the friends of racing have shown the members that the Amis bill does not represent the views of a majority of the people of the state or it may be from some other cause, but it is a fact that there has been a change of sentiment in some of the legislators these last forty-eight hours.

SPENCER TO RIDE IN FRANCE.

New York, February 7 .- Henry Spencer has decided to try his luck abroad again. He rode in England in 1902 for James R. Keene, but expects to go to France for the coming season. Spencer has not ridden for a season or two, but he believes he can make good.

Fandango Wins the Race for Youngsters-Skyward Purse Is Protested-Salvisa Is Destroyed.

Hot Springs, Ark., February 7 .- The weather was fine today and as a consequence the attendance at Oaklawn was the largest of the week. The quieting of the political disturbances also had much to do with swelling the crowd. The news from Little Rock this afternoon and this evening has encouraged turfmen to the belief that the Amis bill will be defeated when it comes up in the lower house of the legislature tomorrow and that the meeting will go on here for the full sixty days.

The horses racing today were a mediocre lot, but seme of the contests were exciting. The most interesting race from a horseman's point of view was the opening dash in which fifteen youngsters There were many in the field that went to the post for the first time and their performances were eagerly watched. There was nothing sensational to the running. Fandango was away running and showed her heels for the entire trip to the others, winning in hollow fashion by five lengths from Dandy Dancer. Rustle probably ran the best race of the lot as she was away in an outer position, had to lose ground by going wide and finished with a great burst of speed.

Jake Sanders was dropped into a soft spot, scared out eight of the entrants and beat the other seven. He made good with little trouble. The longest priced winner of the afternoon came in the last race when Skyward, at 20 to 1, led all the way and won cantering from Cadillac. C. D. Stevens. owner of Cadillac, objected to the payment of the purse to J. J. Flannigan on the grounds that Skyward had carried five pounds less than the conditions called for, although he had up the carded weight. The judges have taken the protest under advisement

PICTURE OF REEL MOST VALUABLE.

Description of Major B. G. Thomas' Famous Collection of Horse Paintings.

Ten of the thirteen paintings of famous thoroughbred horses embracing the collection of the late Major B. G. Thomas, and now on exhibition in the rooms of the Jockey Club in New York, are by Perhaps the most valuable painting of the entire collection is that of the famous mare Reel, founder of a model family of horses. It is said to be the only picture in existence of this famous Because of this and for excellence of the work it is extremely valuable. The painting passed through the hands of two or three famous turfman of the old school before becoming the property of Major Thomas. It is claimed that it was buried during war times to make sure of its preservation from the raiding soldiers of both armies.

The picture of Lexington, by Trove, size 25x30 painted in the spring of 1870 when the se of Boston and Alice Carneal was twenty years old. is unquestionably one of the best pieces of work by the famous artist and persons who remember Lexington have said it is a magnificent likeness of the great horse. The picture of Lightning, by the great horse. The picture of Lightning Troye, painted in May, 1869, is likewise fine is of similar size to the Lexington.

There is also a magnificent picture of Glencoe, 34x42 inches, painted by Troye in 1852 when the horse was quite old. The other Troyes are Dixie, painted in 1871, size 17x22 inches; a head of Mary Hadley, painted in 1872, size 28x32 inches; Roxane and foal, by Rhynodyne, painted in 1866, size 30x38 inches, and small pictures of Boston and Lexington, both 10x12, painted respectively in 1856 and 1867.

other three pictures are fine likenesses of Vandal, size 25x38 inches; Lecompte, size 20x25 inches, and Picayune, size 29x36 inches. The picture of Roxane and foal was one of Major Thomas' The foal appears to be all out of proportion to the dam in size, and this fact was freely commented upon by visitors to the home of Major Thomas. He would chuckle in a knowing way and ask his visitor to be seated until he explained. "In those days," the Major would say, "foals were allowed to run with their dams until weaned by the mares themselves. As this was rarely done until close to foaling time again, the youngsters were virtually yearlings before being taken away the mare. This accounts for the apparent mistake in the painting as to the size of Roxane

challenged gamely in the stretch, but could not get up. Mina Gibson, greatly improved, showed unexpected early speed and finished fast in an extra good race for her. Red Era, away poorly and shut off in the early running, made up considerable ground in the last half. El Primero, shuffled to the rear in the early running, finished well up. Water Thrush showed superior early speed, but disliked the heavy going and is promising. F. Neugent, on the inside in deep going, was never dangerous and his race should be thrown out. Winner—Ch. f, by Bowling Green—Mopsy (trained by J. B, Gray).

Went to post at 3:15. At post 2 minutes. Start good. Won driving; second and third the same. Ina Gray was kept far back in the early stages, but moved up resolutely on her own courage when straightened out in the stretch run and, finishing gamely, got up in the closing strides. Haughty, probably much the best, was taken wide throughout and, better handled, would have won off by herself. B. J. Swanner ran a good race, was a forward contender from the start and appeared a certain winner in the last furlong, but thred unexpectedly. Mary Primm was speedy and tired in the last furlong as if short. Oasis tired and will do better. King Wilda ran a bad race and probably disliked the going. Belitoone quit badly after going a good half and can do better. Water Mirror will also show improvement.

Winner—Br, h, by Knight of the Thistle—Active, by Virgil (trained by H. McDaniel).

Went to post at 4:13. At post 1 minute. Start good. Won handly; second driving; third the same. Jake Sanders outclassed the others and ran hard held all the way, winning in a canter. Adesso closed a big gap after going wide into the stretch and, finishing with a rush, got up in time to outlast Wood Claim. The latter was badly handled and would have been second with a good ride. High Bear began slowly and, although going wide, came with a rush at the end, will improve and is worth remembering. Potter showed the most early speed, but quit after going a half. Matador ran a bad race and way below his true form. The winner was entered for \$1,000; no bid.

Winner—B. c, by Sanders—Star Dreamer (trained by M. Burton).

Went to post at 4:43. At post 2 minutes. Start good. Won easily; second driving; third the same. Skyward, showing sudden improvement, raced into a long lead at once and held the others safe throughout, winning pulled up. Cadillac stood a hard drive gamely, closed up considerable ground in the last quarter and got up in the last stride for second place. Mrs. Annie sprinted gamely after the leader in the early stages and maintained second place until in the last few strides, where her rider became careless. Dan McKenna can do better and was badly handled. Sidney F. was also a sufferer from poor handling and will show improvement. The winner was entered for \$400; no bid.

Overweights—Cadillac, 2 pounds; Sidney F., 1; Belle of Owensboro, 32.

Winner—B. g, by Molo—Leta B. (trained by J. M. Reece).

Went to post at 2:30. At post 5 minutes. Start poor. Won easily; second driving; third the sw Molo B. fenced well and held his opponents safe all the way, shook off Lights Out after taking the si jump and was well in hand at the end. Henry A. Schroeder ran under restraint for the first turn of field, but moved up rapidly in the last time around, caught Lights Out tiring and outstayed him un punishment. Lights Out was well in hand until after going the first turn of the field and went to leader at the fifth jump, but tired, was probably a bit short and the race should improve him. Pitt went fairly well. Jim Bozeman refused to break when the start came. The saddle on Happy C slipped and he was pulled up after taking the eighth jump.

Scratched—66800 Sartor Resartus, 148.

Winner—Ch. c, by Blues—Leetta (trained by D. Vititoe).

Went to post at 3:08. At post 1 minute. Start good. Won easily; second and third driving. Blue Lee broke well and raced with Truce until making the turn into the homestretch, then drew away and, although having the race safe, was doing his best at the end. Bucket Brigade ran on the outside until

straightened out in the homestretch and finished gamely under a drive. Truce showed much speed for about a quarter, but was tiring at the end, is a big colt and the race should improve him. Catherine F. broke slowly and was always outrun. Dick Rose has seemingly lost the speed he displayed in his first races. The winner was entered for \$800; no bid.

Winner—B. h, by Sorcerer—Perfume, by Lowland Chief (trained by E. Trotter).

Went to post at 3:34. At post 1 minute. Start good. Won driving; second and third the same. The Englishman was rated along with Devout until on the turn out of the backstretch, then drew away and stalled off a challenge from Rather Royal at the furlong post and from Pasadean in the last sixteenth. The latter was outrun for the first six furlongs, but came to the outside after entering the homestretch and came on fast under a drive, but thred after getting to the winner. Rather Royal was much used in keeping pace with the leaders for the first six furlongs and was tiring at the end. Devout ran well for five furlongs, then quit. Silverskin finished fast.

Went to post at 4:00. At post 1 minute. Start good. Won easily; second driving; third the same. Foreigner was kept in behind the pacemakers for over a half and moved up on the outside on the turn out of the backstretch and, finishing with a rush, won going away. Colonel Bartlett ran next to the inside rail for the entire trip, was well handled and ran to his best form. Grace Larsen was interfered with on the first turn and lost ground when making the turn into the homestretch, where she went wide and was driving to the limit at the end to stall off Dr. McCluer. The latter was sharply cut off soon after ties start when Bonart cut across in front. The winner, entered for \$1,100, was run up and bought by P. M. Incorrect weight in entries—Grace Larsen, 94.
